

JV Boys Work Hard on the Road By Judy Rogers

The Golden Plains JV Boys basketball team has worked hard all season and their first game of the new year in St. Francis was no exception. These young boys showed up ready to play and led the Indians 7-6 by the end of the first quarter on January 3.

As both teams competed well toward the half, the Bulldogs put in another 5 points in the second, as did the Indian squad, to maintain a one point lead at half time. The Bulldogs came out flat in the third quarter, only making two free throws from Austin Rivera. The Indians took advantage of their slump and pumped in ten quick points to gain the lead 21-14 by the end of the quarter.

As the fourth quarter clock wound down, the Bulldogs regained their confidence and put in an additional 12 points, but also allowed the Indians to increase their score by 12 for the 33-26 win.

Koi Wessel led the Bulldogs offensive attack with 9 points. His brother Kade added 5 along with Austin Rivera-4, Domonic Luna-4, Jesus Aragon-2, and Dawson Spresser-2. "We continue to work hard in practice every day," said Koi Wessel. "We are improving and are looking forward to a win." The boys will face off against the Triplains/Brewster Titans on January 10.
