

JV Girls Add Two Wins By Judy Rogers

The Golden Plains JV Girls basketball team added two more wins to their undefeated record as they hosted Logan on Friday and Cheylin on Saturday. “We played very well as a team in both games to keep our winning streak alive,” said Morgan Ritter, freshman.

On Friday, February 7, the Lady Bulldogs hosted the Trojans for a three-quarter game. The girls had a close defensive battle with both teams putting in two points in the first. The Lady Bulldogs pulled ahead by one basket in the second quarter.

With both teams putting in 7 during the third, that two point lead helped the Lady Bulldogs win 17-15. Ana Bermudez, Morgan Ritter, and Kynndra Rush each scored 4 points, along with Maddy Walz-3, and Rachael Ritter-2.

The girls turned right around and played a make-up game with Cheylin on Saturday. “The close Logan game was motivation to play better in the Cheylin game and it ended up being the best game we’ve played so far this season,” added Ritter.

This game consisted of two quarters. The Lady Bulldogs controlled the game from start to finish scoring 16 in the first and 15 in the second for the 31-12 win. Most every girl on the floor was able to put points in the book. Morgan Ritter led with 9 along with Kynndra Rush with 8. Rachael Ritter had 6, Carmen Sepulveda-3, Ana Bermudez-2, Maddy Walz-2, and Brittany

The JV girls are now 8-0 on the season. They will take a break this week with no JV games on their schedule to rest and heal before they return to their home floor on February 18 as the host the Triplains/Brewster Lady Titans.
