

JV Boys Struggle with Cougars

By Judy Rogers

The Golden Plains JV boys struggled in their game against Cheylin on February 25. This game, which was made up from a snowstorm postponement earlier in the season was held in Almena.

The boys kept it close in the first quarter as the Cougars slipped past the Bulldogs 8-7 in the first, but the Cougars increased the pressure and posted up 15 points to the Bulldogs' 5 in the second.

Although the Cougars slowed their pace a bit in the third and only scored 6 points, their defense held the Bulldogs scoreless. The Bulldogs managed a three from Cole Ziegelmeier and a basket from Domonic Luna in the fourth, but the Cougars extended their offense for a 42-17 win.

Scoring for the Bulldogs came from Ziegelmeier-6, Austin Rivera-5, Nick Brown-2 Jesus Aragon-2, and Luna-2. "This was the best game we have played this season," said Aragon. "We have improved our attitude a lot and had fun playing.

The JV boys finished their season with one win. "The JV boys have worked to improve themselves everyday in practice," said coach Mike Doll. "Even though we didn't see many wins, they showed many improvements and helped prepare and push our varsity boys.
