

JV Boys Battle Quinter
By Judy Rogers

The Golden Plains JV Boys basketball team battled the Quinter Bulldogs on Tuesday, January 28, in Rexford. This was the first game for the JV boys in over two weeks. "It was good to get back on the floor," said freshman Nick Brown.

They were a little rusty in the first quarter allowing the Quinter team to take a 16-6 lead. They continued to feel their way and get readjusted to the floor in the second as Quinter extended their lead to 29-15 by the half.

The home town 'Dogs added another 7 in the third, but allowed Quinter to increase their total by 18. The GP boys didn't give up and finished the game giving it all they had but the Quinter boys claimed the 59-30 win. "We didn't always play as a team at the beginning of the game," added Dawson Spresser. "But we worked together better in the second half."

Posting up points for the Golden Plains team were Kade Wessel-7, Koi Wessel-5, Austin Rivera-4, Domonic Luna-4, Dawson Spresser-3, Cole Ziegelmeier-3, Jesus Aragon-2, and Julio Blanco-2. The boys will continue looking for a win as they travel to Northern Valley on Friday.
