

JV Girls Win Again

By Judy Rogers

The Golden Plains JV Girls added another win to their record on January 24 when they played a two-quarter game against the Palco Lady Roosters. “We played well together during this game,” said junior Rachael Ritter. “We started with a lot of confidence which helps us to play well.”

The girls started off the evening in Rexford with confidence and gained a 4 point lead with two baskets from Gabrielle Schiltz, freshman, before the Lady Roosters scored tying it up with two minutes remaining in the quarter. Two baskets by freshman Carmen Sepulveda gave the Lady Bulldogs an 8-4 lead by the buzzer.

In the second quarter, Rachael Ritter, junior, stepped on the floor and quickly put in nine points for the Lady Bulldogs while the Lady Roosters were held back by the home team defense. Additional points from Gabrielle Schiltz and Morgan Ritter gave the Lady Bulldogs their fifth win of the season 21-7. The girls will play back at home on Tuesday as they try and hold on to their undefeated record.
