

Lady Bulldogs Extend Winning Streak

By Maddy Walz

The Golden Plains Junior Varsity Lady Bulldogs remain undefeated after playing 3 quarters against the Quinter Bulldogs in Rexford on January 28. They came out feeling a little lackadaisical and ended the first half leading only by one. Going into the locker room, Coach Parker Christensen told the girls they needed to increase their effort. "We were concerned about getting our first loss because our intensity was so low," freshman Carmen Sepulveda reflected on the game.

Coming out strong, the girls outscored Quinter 13-3 ending the second quarter with a 24-13 lead. In the last quarter, GP let Quinter come back a little, but they continued to outscore them throughout the third quarter ending the game 33-21. Scoring for the Lady Bulldogs were Gabrielle Schiltz-11; Ana Bermudez-4; Morgan Ritter-3; Rachael Ritter-5; Kynndra Rush-6; Brittany Fringer-2; and Carmen Sepulveda-2. The Lady Bulldogs will compete against the Lady Trojans from Logan this Friday as they attempt to continue their winning season.
