

## JV Girls Win 2-quarter Contest

By Judy Rogers

The Golden Plains JV girls team won a shortened game against Cheylin on January 19. The girls captured an 11-5 lead in the first quarter of basketball action. The Cougars rallied in the second quarter for 13 points, but Sierra Finlay couldn't miss for the 'Dogs who added 14 more for the 25-18 win.

Finlay put in 14 points for the Bulldogs along with 6 by Carmen Sepulveda and 5 from Maggi Nieman. "This has been the best game our JV team has had all season," said Finlay. "We worked well as a team, and we all knew what had to be done. I couldn't have done what I did without them."

The JV girls will have a busy weekend as they play a full game against the Northern Valley Huskies on Friday and host a JV tournament in Rexford on Saturday.
