

4n6 Teams Misses Out on Qualifications

By Judy Rogers

The Golden Plains Forensics Team continues to qualify entries for the State Champs in Salina in late April. These dedicated students have attended a number of meets and have placed well as a team at each meet as well as qualifying for state.

At the Western Plains Invitational in Ransom on February 20, Koi Wessel placed third in Extemp. Kellee Snyder and Carmen Sepulveda preformed a duet that placed 5th—just missing out on state festival qualification. Snyder also performed in prose, placing 6th and again missing out on festival qualification. Nick Brown placed 7th in informative. “This was not a stellar meet,” said Coach Robynn Wessel, of their performances in Ransom. “We did not qualify anyone for state.”
