

## Golden Plains Performs Well in Tough Contest

By Judy Rogers

Golden Plains Track teams performed well in a highly competitive meet in Hill City on April 25. This meet was rescheduled from the previous week due to the stormy weather. Despite the challenging competitors, the Bulldogs continued to set personal best times and distances.

KayCee Miller tied the school record in long jump at 16'2". The current record was set by Kristi Withers in 1990. "Congratulations to KayCee for tying the school record" said Coach Travis Smith. "We had a good overall day despite some tough, tough competition." Results are listed below with improved scores noted\*.
