

Bulldogs Win Two in Cheylin

By Judy Rogers

The Golden Plains High School Volleyball team won two games in Cheylin on September 22. They defeated Cheylin in three close sets, Heartland Christian School in two sets, but lost the final match to Quinter in two. "All three games were close," said junior Gabrielle Schiltz

The first match against Cheylin started out with some very intense, close volleys, but the Cougars were able to edge past the Bulldogs 26-24. The Bulldogs again went back and forth with the Cougars, but a 8 point run with serves from senior Kynndra Rush helped the Bulldogs finish with a 25-19 win, sending them to a third set.

The Cougars fought hard, but the Bulldogs won the set and match 25-22. "We started out bad in the first set," added Schiltz, "but once we started moving more in the second set, it helped us get the win."

The second match for the Bulldogs was against Heartland Christian. Both teams worked the ball with the Bulldogs winning both sets 25-19 and 25-15.

The Bulldogs battled it out for their final games of the day with the Quinter Bulldogs. With a lot of scoring from both teams, the girls were determined to sweep the quad. However, the Quinter girls walked away with a two set win 25-22, 25-20. "We got way down during the game allowing them in," continued Schiltz, "but we pulled it together in the second set to make it a close game."

The GP girls will be on the road again for another quad in Weskan on Saturday, September 26.
