By Maggi Nieman

The Lady Bulldog B and C teams had a long night in Damar on Thursday, September 17. The B- Team played 2 matches and the C- Team played 2 sets of a game.

The B-team girls played Logan for the first game. Logan barely won with a score of 21-25. In the second set, Golden Plains won with a close score of 23-25. The Bulldogs didn't end up winning the third set with a score of 6-15. "We tried really hard," said 6th grader Lauren Patmon. "We were just really tired," stated 7th grader Hannah Bange.

The next game was against Palco/Damar. They only played to 15 in this game. Palco/Damar started off strong in the first set, and carried the momentum on to the second set, winning both sets 15-11. "We need to work on our talking," said 6th grader Carli Nieman. Sable Finlay, 8th grade, added, "We played really hard, though."

Due to the already late night, the C- team only played two sets, splitting wins with Palco/Damar. "We were tired for this last game," said Rayna Taylor. "It was a long day." The Bulldogs defeated Palco/Damar in the first set 15-12. The Roosters came back to beat the Bulldogs 15-3 in the second set. "We were nervous playing against a good team," stated 6th grader Amie Cheney. "We got most of our serves over," added 6th grader Morgan Wark.

Both B and C teams will play at home on September 24 as they host Cheylin.
