

## GP Scholar's Bowl Runners Up at League

By Amanda Cheney

The GPHS scholar's bowl team placed second with a 9-2 record at the WKLL meet at Grinnell on January 16. Other teams competing at this meet were Brewster, Cheylin, Healy, Heartland Christian, Logan, Northern Valley, Palco, Triplains, Weskan, Western Plains, and Wheatland/Grinnell.

The Bulldogs started out with a close round against Cheylin needing to use three tie-breaker questions for the win. "Having all the tie-breaker questions definitely had us worried," said senior Nick Brown. "The win definitely gave us confidence for the rest of the meet."

In the following rounds, Golden Plains lost to Weskan and Palco, although with combined points through all the rounds led them to earning second place. Although the Bulldogs defeated Logan in the rounds, Logan ended up in first place due to total points scored and Cheylin placed third.

"Overall I think we competed really well together," said junior Devin Carter, team captain. "We're going to use the momentum from this meet to compete well at regionals and make it to state." The Bulldogs will go on to Regionals at Tribune on February 2.
