

Bulldogs Take Third at Sharon Springs

By Judy Rogers

The Golden Plains Scholar Bowl Team placed third at the Wallace County Invitational in Sharon Springs on November 21. The team members were unsure of how they would do at this meet as it is a competitive event. However, they were pleased with their third place finish. "We've had a good start of the season," said Clayton Bange. "I hope we can continue placing when competition resumes in January."

The Bulldogs went 4-1 in their pool with wins over Weskan, Atwood, Brewster, and Sharon Springs and a 10-point loss to Triplains. In the semi-final round, they lost 25-50 to Cheylin but defeated Weskan again in the consolation round for third.

Competing for Golden Plains were Angel Sanchez, Nick Brown, Jeron Schutte, Austin Rivera, Clayton Bange, and Charlotte McCurdy. They will resume competition with League in January.
