The Golden Plains Varsity played against Victoria and Northern Valley on September 13 in Rexford. The girls worked hard but lost to both teams in two sets.

The girls started the night facing off against Northern Valley. The Huskies opened the first set with a 7-0 lead before the Bulldogs gained a point. The 'Dogs fought back closing the gap to two but the Huskies rallied and extended the lead which they were able to maintain for the 25-16 win.

The second set was much closer as the Bulldogs kept the score tied throughout much of the game. The teams were tied up at 13. The Huskies would pull ahead but the Bulldogs tied it back up twice more before the Huskies held on for the win 25-23. "I feel like we needed to improve on our talking and communicating the most," said Freshman Karri Schaben.

The second game was against the Victoria Lady Knights. The Knights jumped to a 10-0 lead before the Bulldogs received a point. The Knights continued to control the first set with their killer spikes to win 25-11. The Bulldogs rallied a bit in the second set, but the Knights once again claimed the win 25-9. The Bulldogs will have a full week to work as they prepare to travel to Quinter on September 20 to play against Quinter, Heartland Christian, and Cheylin.
