

A-Team Girls Add Wins

By Judy Rogers

Golden Plains A-team girls added two more wins to their 7-2 record with wins over Cheylin and Weskan. The middle school girls traveled to Cheylin on October 7 to play a couple of close sets with the Cougars. They GP Bulldogs won the first set 25-17 and the second set 25-22.

They played their final regular season game at home on October 13 against the Weskan Coyotes. The girls gained an early lead over the Coyotes and never let go. Morgan Wark, 7th grade, served up five consecutive serves to make the score 10-3 before the Coyotes gained another point. Carli Nieman, 7th grade, then went on a 7-point streak from behind the line. The Bulldogs were unstoppable as Brooke Stoll, 8th grade, served up the final points to win the first set 25-5.

The Coyotes switched sides and put the Bulldogs to the test as they kept the second set much closer despite a streak of serves by Danica Ritter, 8th grade. The game came to within one at 10-9 but the Bulldogs held on and pulled ahead for the win 25-19.

The A-team girls will finish their volleyball season this coming Thursday, October 20, in Brewster where they will face Palco, one of their two losses, in the first game of pool play.
