

Infante Elected December Student of the Month
By Beth Luna

Jaime Infante has been selected as the Golden Plains High School Student of the Month for December by GPHS staff members. Jaime, a freshman at Golden Plains High School, participates in basketball and helps his family in any way he can.

“Jaime works hard in the classroom to keep up with his assignments,” said Judy Rogers, teacher. “He is so good with the younger kids and is very respectful and kind to everyone he meets.”

“I am very proud to be selected,” said Infante. “I thought I’d never get selected.” Jaime is the son of Alejandra Betancourt of Rexford and has one brother, Jovanny, in seventh grade at GPMS.
