

Ortiz Selected as January Student of the Month By Judy Rogers

Jose Ortiz has been selected as the Golden Plains High School Student of the Month for January. GPHS selects a student each month that is in good academic standing, expresses a positive attitude and respect, leadership and service.

Jose demonstrates these ideals both in and out of school. He works hard in the classroom and has been on the honor roll. He participates in extracurricular activities including football, basketball, and track. He is always positive in his activities, is eager to volunteer when needed, and is a friend to all.

In addition to his hard work at school, Jose works part time at the feedlot and takes responsibilities for his younger sisters. A senior, Jose is the son of Danna and Carlos Ortiz. "It's an honor to be selected," said Ortiz. "I'm proud of all my hard work."
