

GP Scholars Place Second At Cheylin

By Mack Keller

The Golden Plains Scholar Bowl team brought home silver medals from the Cheylin meet on November 12 in Bird City. The first game played was against Wheatland/Grinnell who beat GP handily with a 60-10 score. From there, Golden Plains began a winning streak. They defeated Weskan 45-20, St. Francis 50-40, Heartland Christian 30-10, Brewster 20-0, Rawlins 40-0, and Cheylin 30-10. Unfortunately, the Golden Plains team found their streak shut down at the end by Logan 40-20 to earn second place.

The participating members at this meet were Taryn Fleckenstein, Joseph Yanez-Perez, Flint Hodge, Lauren Patmon, Haley Miller, and Wyatt McDonald. "I'm happy with how the team performed," said Coach Steiner Scott. "We came up against some new competition and did very well. I'm proud of the team." The team competed again on Thursday when they travelled to Goodland for a late afternoon contest.
