By Judy Rogers

The Golden Plains JV Boys Basketball team continues to look for a win after their 13-25 loss to Logan in a 2-quarter game on January 4.

The teams played close in the first quarter with the Trojans holding a slight lead 11-9 at the end. The Trojans outscored the Bulldogs again in the second quarter 14-4 to win the game.

“We are hustling more,” said Fabian Cepeda, “ and getting better at both offense and defense.” “We are taking more shots,” added Roberto Loya. “We are improving at shooting and taking care of the ball.”

Fabian Cepeda and Harley Weese each scored 4 points for the Bulldogs along with 3 from Joseph Yanez-Perez and 2 from Ashton Schiltz. The JV team played again on Saturday against St. Francis in Rexford.
