By Amanda Cheney

The GPHS basketball teams travelled to McDonald on February 8 to take on Cheylin. The JV girls won a hard-fought half game against the Cougars 18-13.

The Bulldogs played with intensity to get another win on their season. The girls played aggressive defense in the first quarter, only allowing Cheylin 4 points, ending the quarter with a 14-4 lead.

Cheylin outscored the Lady Bulldogs in the final quarter, but GP was able to hang on for the 18-13 win. Carli Nieman and Morgan Wark led the girls in scoring with 6 each, followed by Taryn Fleckenstein with 4, and Rayna Taylor with 2.

“We played really well as a team this game,” said Morgan Wark. “The last quarter was pretty intense, but that helped motivate us to finish strong.” The JV Lady Bulldogs will take on the Rawlins County Buffaloes in Atwood on February 12 and travel to Quinter on the 14th to finish off their season.
