By Brooke Stoll

The GP Middle School Boys won one game by the B-Team and lost one game on the A-Team on the road against the Triplains/Brewster Titans in Winona on November 20.

The B-team boys started the game out struggling to find the basket and the Bulldogs were trailing after the first quarter of play 3-5. The boys improved and the score at half time was 16-7. They came out of halftime with intense defense and held the Titans to no baskets while the Bulldogs put 13 points on the board. In the final quarter of play the Titans outscored the Bulldogs by 7 points, but the Bulldogs held on and won the game 33-14.

“It was a lot of fun to play and I think we played very good!” stated Abe Taylor. “We worked together very well and are getting better!” added Josh Rath. Scoring for the Bulldogs were Josh Rath with 18, Owen Patmon with 13, and Abe Taylor with 2.

The A-team boys were ready to play and played a competitive first quarter and were behind 5-8. The Bulldogs had a hard time stopping the Titans in the second quarter and the score was 21-8 at halftime.

The boys continued to compete but they trailed 13-31 at the end of the third quarter. Although the Bulldogs outscored the Titans in the fourth quarter 13-6, the Dogs couldn't defeat the Titans and lost 26-37. “We are already showing a lot of improvement and it has been fun to play so far,” said Marshall Dirroco. “We worked hard and played together.” Dirroco lead the team with 14, followed by Mason Green 6, Owen Patmon 5, Memo Aragon 2, and Tayten Barnett 1.

The Golden Plains Bulldogs will continue their season as they host Palco on November 29 in Rexford with half B-team games.
