

MS Volleyball Plays Two on the Road
By Judy Rogers

The Golden Plains Middle School volleyball team played both Logan and Palco in Logan on September 20. The A-team played Logan first falling to them 18-25 in the first set. They tried hard to come back but lost the second set and the match 14-25.

In the Palco game, the A-team regained their confidence as they won the first set 25-19. Palco came back in the second set and pushed the Bulldogs but the Golden Plains girls held on for the win 26-24.

The B-Team girls also had to work hard for the first win against Logan 27-25. They lost the second set 18-25 but came back in the third for the win 15-5. The last game of the day was the B-team against Palco. Palco pulled ahead to win the first set 25-18 and held on to win the second set 25-15.

“It was good that we won the game against Logan, “ said Ava Brantley, 7th grade. “The game against Palco was good, even though we lost. We need to talk to each other more on the floor.”

The girls will play at home on September 27 when they host Heartland Christian School in Rexford. The football team was unable to play their game that night due to lightening.
