The Golden Plains Cross Country team started their season in Goodland on August 31. Sophomore Zeke Weiner ran a 20:40.80, which is almost one minute faster than his time last year on this course. Junior Owen Patmon also improved his time by one minute at this course with a time of 22:50.53.

In JV boys, sophomore Tanner Black ran for the first time at this course with a time of 28:19.83. “Goodland has a difficult course and there were a lot of runners,” said Tanner Black. “I’m looking forward to our meet next week.”

The Bulldogs next meet will be on September 7 in Quinter. Additional runners competing for the Bulldogs are senior Emma Weiner and freshman Roberto Araux.
