The B-Team finished their season 0-10. "We improved on our shooting," said Cameron Sweigart. "We also improved on running or plays," added Liam Wright. "It was fun playing the game with our friends."

"We got better at going up and shooting the ball and catching our passes," continued Blake Horobik. "I'm looking forward to playing again next season." "I feel like we improved a lot, "We needed to work on passing and catching the ball, which we did," said Nash Ziegelmeier. "We didn't turn the ball over as much at league as we had been. Everybody worked hard and did their part. My goal for next year is to make more baskets."
