The third set was a close one, but the Lady Bulldogs claimed the win 16-14. "We did well for our first game of the season," said 7th grader Estrella Aguilar, "but we just didn't have a lot of communication and we need to be more confident while playing."

The last game of the night was C-team with their one set. It was a close one but the Lady Bulldogs fought through it and won the set 15-11. The girls continue their season with their first home games in Rexford against Western Plains on September 7.
