The Golden Plains Middle School Volleyball teams continued their season at Rexford on September 14 against the Triplains/Brewster Titans.

The A-team came out fired up and beat the Titans in two sets. The Lady Bulldogs gained a lead in the beginning of the first set and continued to serve the ball hard at the Titans, not letting them score very many, for the win 25-9. In the second set, the Dogs came out on top again 25-19, to claim a victory against Triplains/Brewster. “We played really well against the Titans,” said Adilyn Meier, 8th grader, “but we could have communicated more with each other. Overall we just played really well as a team.”

The B-team kept the atmosphere up in the gym and claimed their victory in two sets. The Lady Bulldogs battled from the start and won the first set 25-10. To finish the game, the Bulldogs continued to fire up throughout the second set to beat the Lady Titans 25-10. “We did well as a team but we didn’t communicate very much in the beginning of the game,” said Makenlea Focke 6th grader.

To finish off the night the C-team played one set. The Dogs battled hard against the Titans but fell short at the end 17-25. The MS girls will travel to Oberlin to on September 18 to take on Decatur Community and Rawlins County.
