Lady Bulldogs Win Dual By Judy Rogers

The Golden Plains Lady Bulldogs extended their winning streak with a victory over Greeley County on September 8 in Tribune. The girls played a dual—best three out of five games—against the Jackrabbits.

The Bulldogs worked hard in the first set but couldn't quite get a win as the Jackrabbits pulled off the win 25-20. The Bulldogs regrouped for the second set and easily won 25-10.

The third set was another close game, but the Bulldogs held on to win 25-23. Needing to win a third set, the Bulldogs attacked the net to capture the win 25-14.

"We need to communicate better," said Rayna Taylor. "We got better as we played more games and pulled together for the win."

The girls will play in the Gove County Classic on September 12 with their first match of pool play starting at 9:00 am in Grinnell.
