

Black & Wark Take First at Brewster
By McKinzie Horobik

The High School Forensics Team competed at the Brewster Invitational on April 4. Freshmen Tanner Black and Dylan Wark placed first in IDA (Improvised Duet Acting) while many others also broke finals and placed for the team, but just missed qualifying for state.

“It was a great to know that we had the ability to win first and qualify for state,” said Black. “Our draw was difficult to put together and perform,” added Wark, “but we made it very funny and a great memory for the team.”

Wyatt Amlong competed in Impromptu, placing fifth, and as well as Extemp, placing second. Hayden Wark competed in Prose and Poetry, placing fourth in both. McKinzie Horobik placed sixth in Poetry.

Additional events included Dominic Stout in both Prose and Impromptu. The team traveled to Almena to compete at the WKLL Tournament on April 5.
