

Amlong Places at Ellis
By Judy Rogers

The Golden Plains Forensics Team competed in Ellis on March 4. Sophomore Wyatt Amlong placed fifth in Extemp while additional team members competed for the first time this season. "I was excited to place in this very competitive meet," said Amlong. "I'm glad I had already qualified for state champs earlier this year."

Tanner Black and Maddix Green teamed up for Improvised Duet Acting (IDA). Jorja Juenemann performed in Prose for the first time this season. She came very close to breaking finals in her debut meet. Dylan Wark also competed in Prose. Amlong also competed in Impromptu where he too just missed out on finals. Dominic Stout also competed in Impromptu. "It was very tight competition," added Amlong. "The judges gave us suggestions on how to get better," added Stout.

The team has a few weeks to practice and prepare for their next meet in Phillipsburg on March 28.
