

Horobik Takes Fourth at P-Burg By McKinzie Horobik

The Golden Plains Forensics team competed in Phillipsburg on March 28. With six students competing, only one placed in finals as sophomore McKinzie Horobik placed fourth in Poetry. This is the highest she has placed in this event so far this season.

In addition to Horobik's performance in Poetry, freshmen Tanner Black and Dylan Wark competed in IDA, Hayden Wark performed prose and poetry, Dominic Stout competed in prose and impromptu, and Amlong in impromptu. This is the biggest meet the team will compete this year before state, with 19 teams. "They all did great," said Coach Robynn Wessel. "However, it was a very big meet with lots of tough competition. We are super proud of McKinzie for making finals in poetry and placing 4th!"

The team will travel to Brewster for their postponed meet on April 4.
