

Wark Places Sixth in State Forensics  
By Judy Rogers

Golden Plains sophomore Hayden Wark placed sixth in Prose at the State Forensics meet in Hutchinson on May 6. Wark had also placed sixth in state in Prose last year. "I was glad to place again at state," said Wark. "I feel accomplished to be successful in something I enjoy. I would encourage others to try Forensics. It's a lot of fun." Wark also competed in Poetry at the state meet.

She was joined at state by Wyatt Amlong in Extemp. Amlong made it to semi-finals in this event, just missing out on finals. Dylan Wark and Tanner Black competed in Improvised Duet Acting at state. Three other Bulldogs qualified for State Festival but were unable to perform due to scheduling conflicts, including Jorja Juenemann-Poetry, McKinzie Horobik-Prose, and Dominic Stout-Impromptu. "Great job to all my state participants," said Coach Robynn Wessel.
