

Bulldogs Place Second at League Forensics

By Judy Rogers

The Golden Plains Bulldogs Forensics Team placed second at the WKLL Meet in Almena on April 5. “It was an extremely busy week for GPHS Forensics,” said Coach Robynn Wessel. They competed at Brewster the day before. “We had so many students make it into finals! We couldn’t have accomplished placing as league runner-up without each and every member of the team,” added Wessel.

Sophomore Hayden Wark had a very successful day at league as she placed first in both Poetry and Prose—both very competitive events. This qualified her for State Champs in both events. “It was really exciting as the competition has been tough all year,” said Wark. “I am looking forward to returning to State.” Wark also competed at State Champs in Prose last year.

Wyatt Amlong placed third in Extemp. He had qualified for state earlier in the season. Amlong also placed fifth in Impromptu. Tanner Black and Dylan Wark placed third in Improvised Duet Acting. They, too, had already qualified for State Champs.

Dominic Stout placed fourth in Impromptu and sixth in Prose. Jorja Juenemann placed fourth in Prose. Juenemann also placed sixth in IDA with partner McKinzie Horobik in their first time competing in this event.

Additional events included Horobik in Poetry and Maddix Green in Prose. The team will compete in one final meet in Ransom on April 13 before going to State Champs on May 6.
