Rath is a proven triple jumper. She qualified for state as a sophomore placing 7<sup>th</sup>. She had placed in the top 4 at every meet that year. She placed as state runner-up last season with a previous career best jump of 36' 4.5" after placing first in every meet including league and regionals.

"Breaking the school record never seemed like a possibility until state last year," said Rath, "but even then I knew it would still be hard. This is one of my greatest accomplishments and I am so excited for the rest of this season. I saved the best for last!"
