

## Brenlynn Rath Sets Triple Jump Record

By Judy Rogers

Golden Plains Seventh Grader Brenlynn Rath set a new school record of 32' 7.5" in Triple Jump at the first middle school track meet of the season on April 13 at the Northern Valley Invitational in Stockton.

The previous record of 32' 3" was set by Valerie Broeckelman in 2002 and tied by Brenlynn's sister, Breanna, in 2019. Breanna had set the new high school record on Tuesday of that week. "I'm proud of Bren for breaking this record as a seventh grader," said Breanna. "I hope she continues to improve." "I'm happy for her," added Valerie (Broeckelman) Visser. "Good Luck on the rest of the season!"

Brenlynn "It has been my goal since last year since I had gotten so close to it," said Brenlynn. She had jumped 31' 10" as a sixth grader. "I was determined to set it this year. It was really good to set it at the first meet. I was surprised to get it so early in the season. I hope to improve my distance to keep the record."
