The Student Leadership Experience is a one-week program for current Juniors (High School Class of 2025) to visit West Point in June. Students in this program get to spend the week with our cadets, live in the barracks, and eat in the mess hall.

Learn about West Point's world class academics by trying 4 of our 17 academic workshops. Learn about military training and becoming a Leader of Character at West Point by completing two military days to include rappelling, Zodiac boats, combatives (like Jiu-Jitsu) training and more!

Attending a military academy gives you a chance to get a world class education in exchange for a service commitment. If you are serious about your future this is something to consider. Spots are being filled fast so go to www.westpoint.edu/admissions/summer-program. Please direct any questions to admissionsne@westpoint.edu.
