Many of our nation's Airmen, Guardians, and their spouses and families are on missions to complete higher education degrees. For years, the Air & Space Forces Association has funded those efforts as part of its own mission to support and encourage the prosperity of our nation's Air & Space Force community.

In 2022, AFA contributed more than \$230,000 to Airmen, Guardians, their spouses, and their children through 12 unique scholarships. The scholarships help fund college tuition, flight school, dental school, Arnold Air Society and Silver Wings, and even full rides to certain universities. Find out more about these scholarships at <https://www.afa.org/scholarships/>.
