

## Bulldogs Compete against Cheylin

By Luz Aguilar

The Golden Plains Bulldogs competed against the Cheylin Cougars at Bird City on October 20. The Bulldogs stood strong against the Cougars but lost the game 6-72.

The game started off with Cheylin returning the kickoff to make a touchdown and PAT kick to take an early 8-0 lead.

The Bulldogs connected on several passes from junior Josh Rath to sophomore Diego Perez as the Dogs made several gains and first downs, but the Cougars regained the ball to score again.

The Dogs again made several first downs with catches by Miguel Garcia, Wyatt Amlong, and Will Bruggeman. They finished the series in the end zone with a touchdown run by Rath. "It felt really good making a touch down against a team with a really tough defense," said Rath.

The Cougars continued their offensive drive as they added several more scores in the first to lead 54-6 at the end of the quarter.

The Bulldogs were unable to find the end zone in the second quarter. The Cougars stayed strong to win the game 72-6 at the half. The Bulldogs finished the regular season 2-6 and third in their district and receive a bye in the cross district game. They advance to regionals to play Ingalls in Ingalls on November 3.
